CLASS DESCRIPTIONS

Mills County YMCA

(FF) A family friendly class is one that does not have limited equipment, is generally cardio or low impact. A guardian must be attending the class with youth and the youth must have successfully passed youth fitness training and be wearing their bracelet.

Cardio

Cycling Improve your cardiovascular fitness in this high-energy class. Class can consist of interval work, hill climbs, and flat road drills, along with other terrain. All fitness levels welcome. Bring a towel and a water bottle.

Cardio Intensity This cardio focused class will provide you the opportunity to increase your heart rate and burn calories. Athletic cardio moves that can be modified for any fitness level will let you work at the intensity that is right for you.

MixedFit uses current radio hits to inspire fun dance moves combined with boot camp style toning moves to create a great workout.

Strong by Zumba ® combines body weight strength training, cardio, and plyometric training moves and syncs them to original music to help push you to the end of every class.

Combo

Total Toning uses a variety of equipment to strengthen and tone the entire body. Each class will blend a variety of movements to focus on overall body strength.

20/20/20 20 minutes of cardio, weights, and abs/core each! This class increases your strength and metabolism by working all the major muscle groups using weights, tubing and balls. If you like to change up your workouts, try new things and be challenged, this is the class for you. This is a great strength and aerobic workout.

Low-Impact Cardio Strength Low impact cardio allows participants to increase their heart rate while minimizing the stress to joints and muscles. This workout will help strengthen your cardiovascular system with a fun upbeat workout.

Sit & Fit sit for fun fitness to increase your cardiovascular and muscular endurance power with a circuit workout. Focus on upper-body strength with hand-held weights, and us resistance tubes and a ball for a low-impact aerobics workout. A chair is used for support.

Strength

BODYPUMP™ is the original LES MILLS™ barbell class that will sculpt, tone and strengthen your entire body.

Barbell Pump is a high repetition, light weight strength training class. Each song within the class has a specific strengthening focus allowing participants to engage all major muscle groups in a 60-minute session.

Mind/Body

Yoga In this class the instructor will skillfully and gently guide participants through yoga postures for improved strength, balance and flexibility. Learn how to develop and control breathing through a series of flowing movements designed to strengthen and lengthen the muscles, developing a mind-body connection.

TAI CHI Barre Blend This class will teach individuals how to relax and maintain optimal health through a series of postures and movements. A low-intensity, low-impact form of exercise, which enhances muscle tone, range of motion.

Barre Blend is a blend of low impact, high intensity cardio moves and strength training focusing on long lean muscle building. Inspired by traditional ballet, yoga and pilates, each class will focus on core, glutes, thighs and arms. Bare feet or sticky socks are ideal for full extension.

Aqua

Aquacise This low-impact class emphasizes cardiovascular fitness, muscle endurance, and flexibility at a moderate level. Participants need to be comfortable in the water, but will not be working in the deep end.

OWLS Older, Wiser, Livelier, Swimmers is a volunteer class that is a fun lively workout that increases cardiovascular endurance.

Aqua Toning is a volunteer class utilizes hand buoys, the resistance of the water, and dynamic movements to improved muscle tone and definition.
